Deputy Commissioners Office

Dated 17th December 1898

To.
The Secretary to the
Government of Mysore
General and Revenue
Departments.

Sir.

I have the honor to submit for the orders of Government copy of Comptroller's docket No: 2669 dated 4th November 1898 in disallowing certain items of Travelling allowance claimed by R. Mahadeva Rao Amildar of Holalkere for journeys made by him beyond his jurisdiction on public duty. I consider that the view taken by the Comptroller is opposed

Section 532 (a) of the Imperial
Service Regulations, which in
my humble opinion authorizes
travelling allowance to Amildars
and Deputy Amildars for journeys
beyond their jurisdiction on
public duty, other than attendance
for Local fund Board meetings
for journeys for the last mention
purpose travelling allowance
is granted from Local funds and
therefore journey for this purpose
is excluded from the operation
of that section. If the interpretation
put upon the section by the
Comptroller is accepted, Amildars
and Deputy Amildars will not be
entitled to any travelling allowance
for journeys on public duty
beyond their jurisdiction except
when they go to attend meetings
of Local fund Board. If 2

Commander in Chief Canada
used to get travelling allowance
for all such journeys and the
new rule laid down by the Comptroller
appears to me to be an innovation.
To prevent any misconception
of the rule I beg Government
will pass definite orders on
the point.

2. The travelling allowance
bills referred to by the Comptroller
are also here with submitted.

I have the honor to be,
Sir
Your most obedient servant

His memo No: 19 dated Septr.

stating that attending to Plague

preventive measures is one of

the duties of an Amildar

but that the Amildar in

question has travelled beyond

his jurisdiction with Plague work

With reference to the above

has the honor to state that

Article 532(a) of the Mysore

Service Regulations does not entitle an Inlocal to travelling allowance for journeys made beyond the jurisdiction of the duty for which he travelled be not other than the duty of an Inlocal. The travelling allowance claimed by the Inlocal of Kotalchore in this bill for July and August 1895 on account of attending to Plague work is therefore disallowed as it is admitted that Plague work is one of the duties of an Inlocal
